1. Regular Business:

- a. Regular business was not conducted at this meeting, as the focus was to meet with a new Complainant who had recently submitted a new complaint.

2. Initial Complaint Review:

- a. An initial discussion with the Complainant was held to determine if his concerns/complaint against certain town boards and parties rose to the level of an Ethics Violation, as per the Yorktown Code of Ethics.
- b. The Complainant presented the board with numerous documents that needed additional time to review and digest. During the discussion, it was also determined that additional key documents would need to be presented to the Ethics Board before any determination could be made.
