Request for a Building Permit Extension

Building Permit Requirements:

- Building Permits expire 12 months from the date of issuance, and may be extended in 12 month increments.
- Construction must proceed in accordance with plans approved by, and on file with, the Building Department. Changes and revisions to construction design must be approved by the Building Department prior to continuing with work.
- A building or structure erected or altered under a Building Permit may not be occupied or used until a Certificate of Occupancy has been issued by the Building Department.

I have read the above Building Permit Requirements, and hereby request that Building Permit Number _____ be extended as follows (*check one*):

First 12-month extension, 50% of the original permit fee or \$250.00, whichever is less.
Minimum \$50.00.

Second 12-month extension, 50% of the original permit fee or \$250.00, whichever is less.
Minimum \$50.00.

Permits may be renewed a maximum of 2 times.
