

Town of Yorktown, NY 2021 Tentative Budget

October 30, 2020

Town Supervisor ~ Matthew J Slater

Comptroller ~ Patricia Caporale

The Town of Yorktown is more than a place to live; it is a way of life. A vital location in the War for Independence; it is a township that took its name from the battle that decisively cemented our dominance over the British troops. Yorktown was first settled in 1683 as part of Van Cortlandt Manor, and was incorporated in 1788 as our nation was forming the principles of democracy we live by today. There is no doubt; each of us is a part of the history and responsible for upholding the legacy. These freedoms shall be preserved and each citizen should experience the treasures of nature, history, individual respect, neighborhood and learning. As resources and energy allow, each of these gifts from the past will be enriched in the present for those yet to come.

We, as a Town in the State of New York, shall do our best to strive for
Progress with Preservation.

Dear Taxpayer,

The year 2020 has provided incredible challenges to our community, county and state. Yorktown stood strong, led from the front and provided unified leadership during some horribly dark days. I will always be proud of how our municipality responded to the multiple rounds of adversity we have experienced and overcome.

There are still many questions about the true impact 2020 will have on municipalities across New York State and Yorktown is no exception. When COVID-19 struck we made swift decisions focused on protecting the health and safety of our community. This included freezing non-emergency expenditures which put us in a position to manage many financial obstacles.

Looking forward to 2021 we need to maintain the same level of vigilance and pragmatism to protect local taxpayers. With economic drivers fluctuating due to elements out of our control the last thing taxpayers can absorb is a local tax hike. The Town of Yorktown will continue its commitment of promoting economic growth and job creation which expands our local tax base and mitigates potential financial impact on local homeowners.

Thanks to our united and swift actions the Town is able to propose a budget that cuts the local tax rate, mirrors last year's use of fund balance all while maintaining important town services.

The proposed budget also prioritizes our infrastructure by increasing our local commitment to paving our local roads, investing in critical projects such as the Halllocks Mill Sewer District Expansion and dedicates significant dollars to our drinking water infrastructure.

We are able to achieve all of this while New York State has clawed back \$420,000 in state aid and the federal government has failed to properly provide adequate funds to county and local governments in the wake of the COVID-19 pandemic.

With approximately 10% of your total tax bill going to your local government we will continue to view each dollar as an investment in the future of our great Town.

Stay well,

Matt Slater
Supervisor
Town of Yorktown

BUDGET PROCEDURE

What is a budget? A budget is an orderly financial plan for the operation of government. The plan sets forth the proposed appropriations necessary to carry out activities for a year and the proposed means of financing. The budget is an estimate of planned expenditures and financing sources.

- The Supervisor of the Town of Yorktown, as Chief Executive and Chief Fiscal Officer, under New York State Town Law section 106, prepares a *Tentative Budget*, under the modified accrual basis, to be submitted to the Town Board and public for its review and comment by October 30 of each fiscal year. In creating the tentative budget, the Supervisor will have requested and received from each department of the Town government estimates of the costs and revenues associated with its operations.
- The Town Board will meet with various department heads on November 9th & 10th, 2020 to discuss the tentative budget. The Board will adopt a Preliminary budget on November 10, 2020 for general public comment in December at a public hearing.
- The Public Hearing on the Preliminary Budget will be held on December 1, 2020
- Based on public comment, the Town Board will determine what, if any, revisions are appropriate and may vote to adopt the final budget on December 1, 2020 but no later than December 22, 2020.
- The budget must be recorded in the minutes of the Town Board. The budget takes effect on January 1, 2021, and constitutes the annual budget of the Town for the next fiscal year.
- If the Town Board fails to adopt a budget by December 22, 2020, the Preliminary budget adopted by the Town Board on November 10, 2020 would constitute the budget for the ensuing fiscal year.
- The Town Board, during the fiscal year, may, by resolution, make additional appropriations or increase existing appropriations and provide appropriate financing. The Town Board also may, by resolution, authorize the transfer of moneys, contingent appropriations and unexpended balances so long as said transfers are within the same fund.
