

## Yorktown Men's Flag Football: Procedure for paying Referees

The following applies to the **2021** season. Please review the details listed below so that your team understands the procedure for Referee Fees. Please bring exact change whenever possible.

\_\_\_\_ Teams are responsible for paying officials at the field prior to each game (Includes playoffs- If requested: A third umpire will be divided by both teams).

\_\_\_\_ Referee Fee is \$70.00 per game.

\_\_\_\_ Games will have two officials assigned.

\_\_\_\_ Referee is solely responsible for collecting payment at the field prior to the start of game.

\_\_\_\_ Teams are responsible for paying each official for each game directly prior to start of game.

\_\_\_\_ **Forfeit:** If the league is ***notified*** by 12:00PM on the 'FRIDAY PRIOR' to game day of a forfeit, than the teams are not charged a fee and the game is recorded. If officials are present at the field and one (1) team is ineligible (i.e. less than 6 players) to take the field at game time the winning team meeting the eligible amount of players records the game as a win. The \$140.00 fee for officials will be paid by the losing team from the team's forfeit fund provided to the League Coordinator at registration.

\* Team needs to leave one check in the amount of \$140.00 each (payable to Cash) at the Recreation Office. This fee will be held in a "Forfeit Account" for the season. If unused, checks are returned to the team at the end of the season.

\_\_\_\_ Inclement Weather: If a game is cancelled prior to its start, than there is no payment. If a game must be stopped due to inclement weather, officials will note the game suspension and will be paid \$35.00. Once the game is rescheduled, teams will pay the officials assigned \$70.00 for the rescheduling of the game and it is played in full.

\_\_\_\_ Unforeseen Circumstances: Same as above.
