LETTER FROM THE TOWN SUPERVISOR

Dear Neighbor,

A year ago I wrote a letter as part of this publication celebrating the natural assets Yorktown has to offer and the wide range of programming our Parks and Recreation Department provides. Never did I think that many of those programs would be halted due to a global pandemic. The past year has brought challenges many of us never thought possible but persevered together as a community.

As we celebrate the coming of Spring we do so with a strong focus on the safety and wellbeing of our residents. Our Parks and Recreation staff are committed to providing programs that adhere to the COVID-19 protocols and will continue to find innovative ways for residents of all ages to return to their favorite programs at the appropriate time.

In addition to great programs, Yorktown has amazing natural assets and open spaces. With more than 40 miles of nature trails, beautiful fishing spots at Sparkle Lake and Lake Mohegan, our state-of-the-art Granite Knolls Sports Complex and some of Westchester County's premier farms, Yorktown has so much to offer and so much for everyone to enjoy.

Remember to always #thinkYorktown!

Wishing you well,

Matt Slater
