Department of Parks and Recreation

Superintendent  
Jim Martorano Jr.  
Assistant Superintendent  
Marissa Lieto  
Senior Recreation Leader  
Deanna Peterson

Dear Local Business Owner:

The Yorktown Parks & Recreation Department is offering sponsorship opportunities at our annual Holiday Electric Lights Parade. Each year there are over 60 spectacular parade entries and over 4,500 excited spectators joining us for this festive celebration of the holiday season. Vehicles are covered with lights, decorations, and people as they travel the parade route finishing at the tree for a lighting.

Holiday Electric Light Supporters with a sponsorship of \$500.00 will gain the following:

Promotional Materials: Name/Logo on promotional flyer circulated to various media outlets, e-based marketing, and to all participants night of event.

Public Address: Announcements at the event both during parade and at the tree lighting.

Video Production: Supporters receive acknowledgement in the credits of the video production which is televised on the local Town channel.
