

**TOWN OF YORKTOWN**  
363 Underhill Avenue, P.O. Box 703  
Yorktown Heights, NY 10598

This is a resolution adopted by the Town Board of the Town of Yorktown at its regular meeting held on Tuesday, October 30, 2018.

WHEREAS:

1. The Town has an agreement for Dewatered Sludge Removal & Disposal for the Water Pollution Control Plant that is expiring on 10/18/16.
2. There was a provision in the current agreement to extend the contract for an additional 2-year period upon mutual consent of the Contractor and the Town. The Contractor, Residuals Management Services, advised the Town in writing on 8/16/18 that they did not wish to extend the agreement.
3. The Town Board passed a resolution on 9/4/18 that authorized the advertisement for bids for this project.
4. Bids were opened on 10/10/18 and summarized below. These unit prices are significantly higher than the previous contract (\$99.50 per ton) and can be attributable to the following: higher costs for trucking, insurance and driver labor, plus higher dump fees at the disposal location.

<u>BIDDER</u>	<u>AMOUNT OF BID</u>
SpectraServ Inc.	\$160.00 / per ton
Residuals Management Services	\$165.00 / per ton
Casella Organics	\$195.85 / per ton

NOW, THEREFORE BE IT RESOLVED, that The Town Board authorizes the bid for Dewatered Sludge Removal & Disposal, Bid #18-2, be awarded to SpectraServ Inc., the low bidder, at a cost of \$160.00 per ton. The contract term for this project shall be for a duration of two (2) years, commencing on or about 10/18/18. Upon mutual consent of the Contractor and the Town, the contract may be extended for one additional term of two (2) years at the same price, terms and conditions.

Diana L. Quast, RMC, CMC, Town Clerk
