Imagine Vr Studios

Town Board,  
Imagine VR Studios is a new virtual reality entertainment establishment. They are proposing a new exterior entrance / exit from their new facility to allow them to be open outside of the hours of the Jefferson Valley Mall.

Ideally the entrance would be functional and aesthetically pleasing to help promote their business. The new glass doors and side lights will match the existing mall's entrance. The canopy and signage would be in keeping with the mall's appearance.

We are seeking to expedite the approval process. Please let me know if you have any questions.

Sincerely,
